

Sharing the Mitzvah of Matza.

At times like Passover, it's difficult to imagine living in a long-term care centre. And yet, for Max Cohen and the 320 chronically ill residents of the **Jewish Eldercare Centre**, that's the reality – at Passover and every other day of the year.

Our beloved residents have no other home, so our objective is to make it as attractive and comfortable as possible. **But we can't do it without your help!**

Our two pavilions are in dire need of new décor, new furnishings and window treatments – improvements that give the feeling of home. The community's frail elderly deserve the highest level of dignity and respect, and you can do your part right now by sharing the Mitzvah of Passover with those who need it most.

Please make your donation today, by calling 738-4500 ext. 2112. Your generosity towards enhancing the quality of life for people like Max Cohen may very well be one of the biggest mitzvahs of the year.
